HOW TO SECURE VOTES.

Our plan of awarding prizes is very simple. For every dollar that is paid us on old or new business during the next ninety days we will issue votes according to the tables herewith.

For example if you pay us \$10 on an old account during the contest, you would be entitled to 1,000 votes; or if you purchased new goods and paid \$10 cash, you would be entitled to 2,000 votes; or an \$11 cash payment on new business would entitle you to 4,400 votes. Remember you can vote for yourself or you can give these votes to any church, school, lodge, society, or charitable organization you may wish to, nominating them as a contestant or voting for them.

Don't forget that every one purchasing a piano from us during this contest sale is entitled to from 15,000 to 1,500,000 votes, depending on the price of the piano and the terms of payment. Furthermore, if you buy your piano from us, you are sure of a valuable prize on Christmas Day.

All cash purchases or cash payments of \$1.00 or more, either by mail or at our store, entitles you to votes. Do not fail to ask for them when you make your payments, and then do not fail to vote.
